Delle Lettere Familiari Del Commendatore Annibal Caro

1763

in italy angelo beolco called ruzante is recognized as the most original of the italian renaissance dramatists however his plays are hardly known in english mainly because few translators have been able to take on the pavano dialect ruzante employed for the character he played with nancy dersofi s vigorous and faithful translation of l anconitana presented opposite the authoritative version of the italian text ruzante s most successful play is now available to english speaking audiences for the first time

Vita Di Torquato Tasso

1895

leonora bernardi 1559 1616 a gentlewoman of lucca was a highly regarded poet dramatist and singer she was active in the brilliant courts of ferrara and florence at a time when creative women enjoyed exceptional visibility in italy like many such figures she has since suffered historical neglect drama poetry and music in late renaissance italy presents the first ever study of bernardi s life and modern edition of her recently discovered literary corpus which mostly exists in manuscript her writings appear in the original italian with new english translations scholarly notes critical essays and contributions by eric nicholson eugenio refini and davide daolmi based on new archival research the substantial opening section reconstructs bernardi s unusually colourful life bernardi s works reveal her connections with some of the most pioneering poets dramatists and musicians of the day including her mentor angelo grillo and the first opera librettist ottavio rinuccini the second major section presents her pastoral tragicomedy clorilli one of the earliest secular dramatic works by a woman it was apparently performed in the early 1590s at a medici villa near florence before grandduke ferdinando i de medici and his consort christine of lorraine but now exists in an enigmatic venetian manuscript the third section presents bernardi s secular and religious verse which engaged with new trends in lyric and poetry for music and was set by various key composers across italy

The Italian principia. Pt.i. A first Italian course, on the plan of W. Smith's 'Principia Latina'. Pt.ii. A first Italian reading book

1883

an exciting new approach to understand the trade of antiquities in early modern rome traces the journey of objects from discovery to display barbara furlotti presents a dynamic interpretation of the early modern market for antiquities relying on the innovative notion of archaeological finds as mobile items she reconstructs the journey of ancient objects from digging sites to venues where they were sold such as roman marketplaces and antiquarians storage spaces to sculptors workshops where they were restored and to italian and other european collections where they arrived after complicated and costly travel over land and sea she shifts the attention away from collectors to peasants with shovels dealers and middlemen and restorers who unearthed cleaned up and repaired or remade objects recuperating the role these actors played in rome s socioeconomic structure furlotti also examines the changes in economic value meaning and appearance that antiquities underwent as they moved throughout their

journeys and as they reached the locations in which they were displayed drawing on vast unpublished archival material she offers answers to novel questions how were antiquities excavated how and where were they traded how were laws about the ownership of ancient finds made followed and evaded

The Italian Principia ...: A first Italian reading book ... with grammatical questions, notes, syntactical rules and a dictionary

1885

1885

this book introduces readers to a wide range of interpretations that take oral history and folklore as the premise with a focus on italian and italian american culture in disciplines such as history ethnography memoir art and music

Le confessioni

2002

socrates or on human knowledge published in venice in 1651 is the only work written by a jew that contains so far the promise of a genuinely sceptical investigation into the validity of human certainties simone luzzatto masterly developed this book as a pièce of theatre where socrates as main actor has the task to demonstrate the limits and weaknesses of the human capacity to acquire knowledge without being guided by revelation he achieved this goal by offering an overview of the various and contradictory gnosiological opinions disseminated since ancient times the divergence of views to which he addressed the most attention prevented him from giving a fixed definition of the nature of the cognitive process this obliged him to come to the audacious conclusion of neither affirming nor denying anything concerning human knowledge and finally of suspending his judgement altogether this work unfortunately had little success in luzzatto s lifetime and was subsequently almost forgotten the absence of substantial evidence from his contemporaries and that of his epistolary have thus increased the difficulty of tracing not only its legacy in the history of philosophical thought but also of understanding the circumstances surrounding

the writing of his socrates the present edition will be a preliminary study aiming to shed some light on the philosophical and historical value of this work s translation indeed it will provide a broader readership with the opportunity to access this immensely complicated work and also to grasp some aspects of the composite intellectual framework and admirable modernity of venetian jewish culture in the ghetto
