A Book of Poetry from Spenser to Bridges 2012-02-16 the first comprehensive study of the eighteenth century response to the elizabethan poet edmund spenser from editions to influence

The diction of poetry from Spenser to Bridges 1966 during the so called age of melancholy many writers invoked both traditional and new conceptualizations of the disease in order to account for various types of social turbulence ranging from discontent and factionalism to civil war writing about melancholy became a way to explore both the causes and preventions of political disorder on both specific and abstract levels thus at one and the same moment a writer could write about melancholy to discuss specific and ongoing political crises and to explore more generally the principles which generate political conflicts in the first place in the course of developing a traditional discourse of melancholy of its own english writers appropriated representations of the disease often ineffectively in order to account for the political turbulence during the civil war and interregnum periods

Edmund Spenser and the Eighteenth-Century Book 2017-11-30 originally published in 1919 this book contains three stories taken from spenser s the faerie queene the story of the knight of the red cross or of holiness the story of sir guyon or of temperance and the story of britomart minna steele smith supplies an introduction with background on spenser s life the stories in his unfinished epic and his use of allegory all the stories are written in readable modern english this book will be of value to anyone with an interest in early modern poetry

The Poetical Works of Edmund Spenser: Life of Spenser and criticism of his works 2019-03-23 although theories of exploitation and subversion have radically changed our understanding of gender in renaissance literature to favour only those theories is to risk ignoring productive exchanges between masculine and feminine in renaissance culture appropriation is too simple a term to describe these exchanges as when petrarchan lovers flirt dangerously with potentially destructive femininity spenser revises this petrarchan phenomenon constructing flirtations whose participants are figures of speech readers or narrative voices his plots allow such exchanges to occur only through conditional speech but this very conditionality powerfully shapes his work seventeenth century works including a comedy by jane cavendish and elizabeth brackley and upon appleton house by andrew marvell suggest that the civil war and the upsurge of female writers necessitated a reformulation of conditional erotics

Tales from Spenser 1897 this beautifully annotated edition of the works of edmund spenser presents the complete collection of his writings to modern readers spenser the renowned poet and contemporary of shakespeare is widely considered the greatest english poet of the elizabethan era this book includes his masterpiece the faerie queene as well as his lesser known works in verse and prose an indispensable resource for lovers of renaissance literature this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
